Sponsorship Eligibility

Eagles Nest Ranch is blessed to have the opportunity to offer sponsorships to campers. Our sponsorship eligibility is assessed based on a household's combined gross income and financial barriers.

What is your gross household income? Less than \$45K || Between \$45K and \$60K || Over \$60K

Describe any financial barriers in your household and/ or the reason you are applying for a scholarship:

Has your child been sponsored for camp before? Yes || No

If so, at what camp and in what year was you child previously sponsored? _____

Note: This question does not disqualify you from receiving sponsorship, we desire that as many children as possible are able to participate in a camp and we will give greater consideration to those who have not had an previous opportunity.

Thank you for applying for Eagles Nest Ranch Sponsorship Program. Your application will remain incomplete until we contact you with an eligible sponsorship opportunity, we will prompt you at that time to complete your application form.

Applications can be mailed to our Box 134 address at the top of this form, or delivered to our ENR Office:
1870A 6 Ave SW Medicine Hat, AB
